The Delano is connected to Mandalay Bay and is an all-suite property. If the lobby has served notice that Delano is something different, the standard one-bedroom suites will confirm it. Each one measures approximately 725 square feet. The airy white décor creates a feeling of serenity. Along with the Delano's signature white sheers, there are crisp white linens and white tufted headboards. Guests will also enjoy amenities ranging from 46-inch flat-screen Samsung TVs and media hubs to Keurig coffeemakers and spacious spa-style baths.
