America's **ROAD TEAM nominations**

*Do You Have Pride in Trucking?
Are you the Best of the Best?*

2015-2016 America's Road Team

- 496 years combined driving experience
- 39.8 million accident-free miles
- 100% dedication and industry pride

Improving highway safety – one mile at a time.

Since 1986, the American Trucking Associations' (ATA) premier outreach programs have educated the national public about highway safety and the trucking industry at large. In over 30 years of existence, the America's Road Team and Share the Road programs have traveled far and wide to disseminate these messages and to actively transform public opinions about a highly valuable and respectable American industry. Reaching millions of people each year in print and in person, America's Road Team Captains daily provide life-saving knowledge that changes driving behaviors and public perceptions, nationwide.

ATA is currently searching for professional truck drivers, both men and women, who are willing to spend time away from the cab of the truck to serve on the 2017-2018 America's Road Team. As Road Team Captains, these drivers will take a few days each month to meet with the motoring public, the news media, students, transportation officials, community and business leaders and law makers to tell our industry's story. America's Road Team Captains appear at a wide range of events to reinforce the trucking industry's commitment to safety, sustainability and professionalism, and to show our essentiality to the American economy and communities, nationwide
