

TMC OF TOMORROW

 **TEAM.**  **TRAIN.**  **TRANSFORM.**

A LEADERSHIP DEVELOPMENT PROGRAM

TMC of Tomorrow is a program dedicated to developing future leaders of TMC and the Transportation Industry.

The need for vibrant leadership is at the core of every organization striving for continuous improvement and excellence. TMC's leadership plays an important part in creating industry-recognized recommended maintenance and engineering practices determining the direction of the Council and improving the productivity and safety of transport equipment and its maintenance. Talented, young fleet professionals who join the *TMC of Tomorrow program (ToT)* become part of the Council's foundation for building a better and stronger trucking industry.

The formula is simple: *Team, Train and Transform.*

Join the *TMC of Tomorrow* program and take your first step towards becoming a future TMC leader. Your leadership journey starts here!

TEAM. TRAIN. TRANSFORM.

TEAM.

- Network with peers
- Learn and share ideas with TMC leaders
- Build a foundation to be a future leader

TRAIN.

- Learn leadership skills and TMC organization and processes
- Prove your knowledge through exams (e.g., TMC Leadership and General Information, Study Group Structure and RP process, TMC By-Laws)
- Judge at national technician skills competitions

TRANSFORM.

- Become active as a TMC leader
- Serve as a role model for young talent
- Advance industry recommended practices

YOUR COMMITMENT.

- Four Meetings
 - Two Annual Meetings: March 18 - 21, 2019 – Atlanta, GA
Feb. 24 - 27, 2020 – Atlanta, GA
 - Two Fall Meetings: September 14 - 19, 2019 – Raleigh, NC
September 19 - 24, 2020 – Raleigh, NC
- Follow the curriculum
