

## Call for Speakers

American Trucking Associations  
Safety Management Council & Transportation Security Council  
National Safety, Security and Human Resources Conference & Exhibition  
Event Date: April 6 – 8, 2020

Submission Deadline: November 29, 2019

The National Safety, Security and Human Resources Conference & Exhibition covers a broad range of critical topics in trucking safety, security and human resources. The conference attracts over 350 professionals from manager to senior vice president level engaged in functions related to safety, security, human resources, and claims & loss prevention with commercial motor carrier companies. We are particularly interested in highlighting the following subjects & topics:

### **Safety:**

Safety Policy  
Safety Compliance  
Safety Technology  
Accident Reconstruction  
Data Collection  
Data Retention  
Deposition Training

### **Security:**

Security Technology  
Future Security Technology  
Cyber Security  
Fraud  
Fictitious Pick-ups  
Identity Theft  
Freight Contraband Prevention

Asset Theft Prevention  
Component Theft Prevention  
Hemp Transportation  
Internal Conspiracy  
Internal Risk

### **Human Resources:**

Recommended Hiring Practices  
Negligent Hiring  
Americans with Disabilities Act  
Equal Opportunity Employment  
Service Animals/Emotional Support Animals  
Recruiting  
Retention  
Reasonable Accommodations  
Drug Testing  
Health & Wellness

If are you interested in speaking at the upcoming National Safety, Security and HR Conference and Exhibition submit your proposal to Jacob Pierce, Executive Director, Safety Management Council and Transportation Security Council at [jpierce@trucking.org](mailto:jpierce@trucking.org).

### Speaker Benefits
