

## Safety Management & Transportation Security Council Webinar Schedule

An essential benefit SMC & TSC extends to each member is the opportunity to further their learning as safety professionals. We strive to provide our members access to first-rate, educational webinars to keep them informed of the latest safety-related technology and news.

To keep you informed on what’s coming up next, here’s a list of future SMC/TSC Webinars. Click each topic for additional information and webinar registration (as they become available):

<b>Date</b>	<b>Webinar Topic</b>	<b>Presenter(s)</b>
June 9 <sup>th</sup>	Motor Carrier Accidents/The “Big Rigs”: Investigating Tractor-Trailer Accidents (Part I)	Justin Schorr, DJSA Associates
June 30 <sup>th</sup>	Motor Carrier Accidents/The “Big Rigs”: Investigating Tractor-Trailer Accidents (Part II)	R. Scott King, DJSA Associates
July 21 <sup>st</sup>	Digitizing Safety in Trucking	<i>To Be Announced</i>
