

Cari Beth Baylor
President
Baylor Trucking, Inc.

Cari Baylor is the President of Baylor Trucking, Inc. since 2014. During her time as President, the company has experienced growth in its fleet with team drivers, diversified customer portfolio and expanded logistics division. Prior to serving as President and Vice President, Cari was the Director of Sales for 5 years. She gained experience in sales through her leadership overseeing Customer Solutions Department. Cari began her career at Baylor Trucking in the Information Technology Department.

Cari Baylor is a graduate of Miami University. Cari currently serves on the American Trucking Association Board of Directors, several ATA committee positions, Indiana Motor Truck Board of Directors, Bendix Fleet Advisory Panel and the Sunman Economic Development Executive Committee. Fleet Owner Magazine highlighted Cari as one of the industry's twelve most influential women in 2016. In 2011, Cari received the ATA Mike Russell Image Award for her efforts to promote a positive national image on the trucking industry. She is a charter member of the Young Transportation Executive Council of the (TCA), Truckload Carriers Association, and a charter member of the Indiana Motor Truck Emerging Leaders group.

Cari resides in Indiana and enjoys staying active and spending time with her nieces. Actively involved with Wreaths Across America, Cari inspires many to participate in this organization. Cari donates time reading to local school children, volunteers on the CRB Foundation and a member of Hamline Chapel United Methodist Church.
