

**Jenny Abernathy**  
**Vice President of Enterprise Capacity Development**  
**CRST, The Transportation Solution, Inc.**

Jenny Abernathy is the Vice President of Enterprise Capacity Development for CRST, The Transportation Solution, Inc. In this role, she oversees the recruitment, marketing and driving career placement strategies for CRST company drivers and independent contractors – supporting all operating divisions and their fleets; made up of over 7,000 professional driving partners. Jenny joined CRST in 2015 as a Director of Capacity Development, and in her time with CRST, she has overseen all facets of driver recruitment, driver career advisement, recruitment marketing and CDL student training programs.

Prior to CRST, Jenny served in multiple operational leadership roles at Target Corporation. Jenny is a member of the American Trucking Association, a LEAD ATA graduate, a NextGen Trucking Foundation board member, and is active within her community of Cedar Rapids, IA, where she resides with her husband and two daughters.
