

Jaime Maus
Vice President of Safety and Compliance
Werner Enterprises

A native of Omaha, Nebraska, Jaime Maus started her career with Werner Enterprises in the Safety Department in 1997. She has held several positions within Safety, including Assistant Supervisor of Log Compliance, Manager of Log Compliance, Corporate Safety Specialist, Corporate Safety Manager, Manager of Loss Prevention within the Risk Department and Senior Director of Safety Compliance. In 2013, Jaime was promoted to Vice President of Safety and Compliance, where she now oversees 250 Safety and Terminal Management associates. At Werner, safety is the top priority, and Jaime continually researches and executes new methods to improve safety results and keep professional drivers in the safest trucks possible.

Heavily involved in the trucking industry, Jaime is a Safety Policy Committee Member for the American Trucking Association, as well as a former Chair on the Technology and Engineering Policy Committee. Currently, she serves on the Federal Motor Carrier Safety Administration's Motor Carrier Safety Advisory Committee and is a Board member for the PrePass Safety Alliance. She played a pivotal role in implementing hair follicle testing at Werner, sleep apnea testing and compliance monitoring. She works closely with the executive team to advance the performance and safety of Werner's professional drivers so they can keep America moving.
